“ I'm going to miss how you would laugh and greet me with the biggest smile whenever we seen each other jokingly say "heeeeyyyyyy Jenni-Lynn Smitty". You brought the excitement and laughter wherever you went and could cut with loving wisdom too. I rejoice that you're healed now, you're at peace now and about to get the party started in heaven. I love you! My deepest condolences to the (my) family, may you all find comfort in God.
