To Our Mother

From Raven; "Rest in Peace Mommy

To lose someone I loved so much brings pain beyond belief. My best friend. The person I talked to EVERY single day. This is so hard. Still unbelievable. I wake everyday hoping this is all a nightmare. I know you were fighting a battle and you were still the strongest person I knew. You still made sure everyone, especially your grandchildren had everything they wanted & needed. Now it is time to rest. I just wish it was more time. Wish you were able to make it to my house to see me... Me & Puddy miss you so much!! And love you even more Until we meet again!

From Koran; Thank you, thank you....This whole year even during this crazy pandemic you made sure you did whatever you wanted to do no matter what we said or the doctors said. You were in the hospital a week before KJ's birthday, but you made sure you came, sick and all. When the doctors told me everything that was "wrong" with you I was shocked, you hid it soooo well, I knew you were sick I just did not know this sick.

I'm soooooo glad I answered that FaceTime call 3 weeks ago! I would have felt so guilty if I did not. So glad I was able to come down Georgia to enjoy your 50th birthday with you and tell you I love you and that "Pumpkin Bear" aka KJ and Ty loves you as well !

I'm proud of everything you taught me, and I will continue to keep pushing and

be strong as you were!!

From Brittany; Dear Mommy, I just want to say Thank you, thank you for being the best mother ever, thank you for being my Provider, my Protector, and my Friend I feel like I'm losing everything and even though I don't want to move on I know I have to be strong just like you were. The love that you showed your children and grandchildren will Never be forgotten I still think of reasons to call you every day and I'd do anything just to hear you laugh one last time My heart is broken but I know you're in a better place& there's no more pain. I Love you My Queen& until we meet again, I'll be forever Missing You

“ Dionne Jackson!! I could write a book... From the sandbox until God decided to call you home. You we're not just my friend you were and always will be my sister. We have so many memories that we shared. Some of the crazy things we done. Words can not express the way I feel right now. I know God has a bigger plan, no more pain or suffering. I love you.

“ YOU AND I CLICKED WHEN WE FIRST MET IN 2010 AT HAPPY HOUR SERVICE CENTER WHERE WE BOTH WERE EMPLOYED. LOSING MY MOTHER WAS HARD AND YOU HELPED ME UNDERSTAND IT DUE TO THE LOSS OF YOUR MOTHER PRIOR. WE THEN BECAME SISTERS AS WELL AS FRIENDS AND SHARED SO MUCH TOGETHER. I HELD ON TO A PROMISE AND I REGRET SOME OF IT. BEING A FRIEND IS TRUSTING EACH OTHER'S WISHES AND THAT I DID. YOU ARE NOW FREE FROM ALL ILLNESSES AND FINALLY REUNITED WITH YOUR MOTHER IN HEAVEN. I GAVE FLOWERS WHILE YOU LIVED AS WELL AS TOLD YOU HOW I FELT ABOUT YOU WHILE YOU WAS ON THIS EARTH AND I FEEL AS THOUGH I DID WHAT GOD SAID WAS RIGHT. WE BROUGHT ALOT OUT OF EACH OTHER. YOU SAID I MOTIVATED YOU TO DO SO MANY THINGS BIT YOU DID THE SAME FOR ME IN RETURN. YOUR NIECE PORSHA IS SO HIRT INSIDE RIGHT NOW. I'M GONNA MISS YOUR SMILE AND HEARING YOU SING BIGGIE SONGS EVEN IF WE BOTH MISSED A WORD OR TWO Lol. WE WILL CELEBRATE YOUR LIFE HERE ON EARTH. I pray that I be around to watch your grands graduate and have families of their own. .RSVEN, KORAN AND BRITTANY ARE SO STRONG AND I KNOW THAT WILL FOREVER MISS YOU DIONNE. THEIR MEMORIES WIKL MOTIVATE THEM TO GO HARDER. KEEP LOOKING DOWN ON YOUR DAD,ANGIE AND TONY.FOREVER, YOUR SISTER AND BEST FRIEND CYNTHIA CURGIL.
