“ I met Donald years ago when he was teaching Kung Fu at Mike Hall's Gym in Seaford. I was there doing a demonstration and afterward, he came to me and said " you're crazy! ". We both busted out laughing because that was a pretty accurate assessment of what he had just seen. We became instant friends. I remember some nights after his class they would turn the lights out on us because we would be standing there talking about Kung Fu experiences and just laughing and having good time. He called me Kung Fu Ward because that's what we talked about all the time. Donald was a good friend and a great human being. Later we sort of lost touch with each other but his memory will last forever in my mind and heart. Thanks for the knowledge, wisdom and memories my friend! Rest in peace.
