“ Please accept my deepest sympathy in the loss of your loved one. The bible gives us hope of seeing our loved ones again during the resurrection of the dead. (Acts 24:15) Also, at Revelations 21:4, it tells us that death, sickness and pain will soon be removed. Please look forward to that time. Until then may the God of all comfort grant your entire family peace.

“ My dear wife and I would like to extend our condolences for the loss of your loved one (Proverbs 17:17). At difficult times like this we realize how precious and fragile life can surely be (James 4:14). As your family and friends comfort one another, as a neighbor we pray you also be comforted by the sure hope the Bible gives us for all those who have died (2 Corinthians 1:3, 4). As recorded in the Bible, Jesus promised that one day he was going to bring back to life all those who have died (John 5:28, 29). That is why he encourages all of us to exercise faith in that promise, the life that Jesus gave in our behalf, and be blessed as we see that promise fulfilled (John 11:25; 3:16; 6:40; James 2:17). The Bible makes it clear that death is an "enemy" not only to mankind, but also to Almighty God (1 Corinthians 15:26). That is also why God promises to remove forever all the pain, suffering, wickedness, and death that mankind has had to endure for thousands of years (Revelation 21:3-5; Psalm 37:10, 11, 29). At that time soon, as the Bible indicates, both the living and the dead who are brought back to life will enjoy life, everlasting life, as God originally purposed for this earth thousands of years ago in the Garden of Eden (Genesis 1:28; Jeremiah 29:11). What a glorious day that will be for mankind who are doing what God asks of us, namely that we simply do His Will, not our own (1 John 2:17; 5:3; Proverbs 3:5, 6). Please read and meditate on all these scriptures in your Bible and be comforted and blessed (Psalm 1:1-3; John 17:3). Our thoughts and prayers are with all of you.
