“ Dear Griffin family, Words cannot truly express how sorry we are that you are experiencing the death of another loved one. Mr. and Mrs. Griffin, we can only imagine how you are feeling now. However, we pray that the Lord will grant peace and comfort to the entire family. May all those who are mourning at this time be comforted. God bless you. P. S. - My dear niece Christina, Grandma sends an extra special hug to you and your mom--of course she send her love to the entire family.
