“ My most fondest memory of Dwayne is on 06/23/2001 of him shedding tears as we said our wedding vows. Although our marriage didn't last our friendship did. One thing I could always depend on is him calling me every Christmas, birthday and Valentine's Day. I will always remember the last conversation we had the week before his home going and ending our call with him saying I love you and me saying I love you too SCRUFF. You will forever be in my heart.

I love you,
