“ *My heartfelt sympathy to the family as you face the days ahead without your loved one by your side. It is during such times that we can take comfort in promises found in the Bible. Jesus words that he spoke at John 5:28, 29 give us hope that in the very near future Elijah will enjoy your company and friendship once again. Jesus states there that "those in the memorial tomb will hear his voice and come out." How grand that reunion will be!*
