“ Family, we all are hurting, because she was our mother too and she always made sure, we had food to eat. Ma Lizzy was a person, we all loved and enjoyed being around. The last time I saw her, she was telling me how much she loved me and tears were in her eyes. I told her, I will always love her and thanked her for all that she has done for us down through the years. She was comical too and she didn't play, she said what she meant and meant what she said. She was always respectful to dad and the church. She was a dedicated member, until her health failed. I know she's in heaven telling dad , how we are doing and seeing her daughter and other loved ones too. I am really going to miss her, if she didn't hear from me, she would call, just to see if I am alright. There will never be a Mom Lizzy. Mom Lizzy take your rest and I will see you one day. Love you!!!

“ I want to take a moment to honor Aunt Lizzy, a remarkable woman who embodied strength, resilience, and unwavering love. She was a shining example of a strong Black woman who did whatever was necessary to care for her family and friends.

Aunt Lizzy wrote the blueprint for knowing the assignment and executing it. Through her actions, she taught us invaluable life lessons—working hard, staying loyal to those we love, and worshiping God with all our hearts. Her legacy is one that we will carry forward in everything we do.

We will miss her dearly, but we are reminded of her spirit as we plan our family reunion with her in mind. It is our commitment to celebrate her life and to honor her by living out the values she instilled in us, not just in words but in our actions.

Rest easy, Aunt Lizzy. Your love and lessons will continue to guide us every day.

With Lots of Love, Neosha

I remember Ms. Lizzy would come to Virginia to visit my Mom Ethel Conquest. They were very close and had something great in common grandchildren. They love to death. She was a sweet Christian woman and didn't mind sharing her blessings. Rest in Peace.

“ I will never forget your smile. The talks we shared. And yes the times I would deliver you one of your favorites, Fish. I will truly miss you Cousin Elizabeth. How i would always say how you looked and walked like Big Momma(Essie Mae Cherry Wilson). We would laugh and talk able those old times.

Family i am sorry for your loss. My deepest sympathy goes out to you. Losing a mother is one of the hardest thing we will have to deal with. No one can ever take a mother's place. You all are in my prayers. May the Lord our God continue to keep you through this storm of life.

“ My deepest and heartfelt sympathy to the family and especially, Mom Barbara, David, Tonya, Cassandra, and Tylese. Miss. Elizabeth was a sweet Lady with a beautiful spirit and a kind heart, and. full of spunk, but one thing she did not mind was telling you like it is, and meant what she said. I will cherish our moments together when I would visit her in the laundry room at Seabony Motel, or see her in passing at the store, she would have me laughing so hard. That was my girl; she will always hold a special place in my heart. I love you Miss. Elizabeth, you will definitely be missed.

Even though she wasn't our aunt by blood, she certainly was by love. Aunt Lizzie, Mother, Mama Lou, her sister, Neat, Ms Mary Cropper and other mothers of the church were always there - nurturing, loving and protecting the children of our community. She will be sorely missed. Your battle has been fought and won, Ms Lizzie - now rest with your family in glory.
