“ *Aunt Elva I was sorry to hear about your passing however I'm comforted in knowing that you're no longer suffering and in pain. My fondest memories of you are of going to your house on the weekends and playing spades with you and uncle Kenny. You two definitely taught my aunt Cheryl and I how to play and strategize because you and uncle took no prisoners. I'll always remember those great times and whenever we want to see you I'll pull out the home videos I have of you. Give uncle Kenny a kiss for me. Love your niece Pamela Young.*
