“E” was my other son. I loved this young man and send prayers up for him continuously. No more suffering. The family has my prayers of comfort and peace. Rest easy “E”.

*My heart is so heavy right now. Words can not describe. I will defiantly miss our talks/arguments and our long rides. It was not a question in my mind whether I was loved or not because I knew. I love you my homie, lover, friend. Rest until we meet again.
To the family, I am so sorry. May the God of all comfort be with you all. I love you all.*
