“ To the family and friends of Ernest Kelly. I am heart broken and extremely upset to hear about Kelly's passing. Not only did I go to school with him at Colonel Richardson for many years, graduating with him in the great class of 1969. I also worked with him for at least 10 years at Wire conveyor belts in Easton. He was one of the best people I have ever Known and I consider him much more to me than a best friend. He was kind and would do anything he could do to help someone in need. His physical strength and physique made him a strong intimating and admirable man with the strength of 10 or more men. He was amazing. would make Mike Tyson jealous. Although his strong a perfect body made him intimidating to look at, underneath was a kind, generous, smart, caring and all around wonderful person to have known. I will never forget him as long as I live. We are almost exactly the same age. Kelly to your family I want them to know that you are in a much better place and I will always love you my brother, You are and always will be in my heart, and can't wait to see you in the next life,
