“ Shooter was one of the best roller skaters I have ever seen! I have very fond memories of circling the rink at Skateland on Friday nights with Laura Lockwood, Audra Price and others. We were quick to be the first ones to ask "Mr. Shooter" if he would push us for go-kart races. And he was quick with his whistle if he thought you were rolling too fast. Thank you for all your time and devotion to help many young people have such wonderful "roller rink fun"!!!!

“ Jeanette

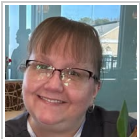

*We are sorry to hear of the passing of Shooter. Many days and nights were spent at Skateland working there and just hanging out being kids. We had know idea at the time how the goodness from you and Shooter were molding us for the future. God gave you and Shooter a special bond and although you are not together on earth I know you will be able to feel his presence. I pray for healing and comfort for you during this difficult time.*

*Love*

“ Jeanette I'm so very sorry for your loss. The community has lost a great person for all the children that live here. You know that he taught me how to skate and he's seen at least 3 of my 4 children skate. You and Shooter were a blessing to me in my younger years and in my teenage years as well. Oh if I knew then what I know now!!! Much love to you and your family over the difficult days to come. Shooter was a wonderful person and friend to all. I'm sure he's teaching many in heaven to shuffle skate as we speak!!!  
*Much love always,
