“ I will never forget this sweet lady! I remember working with her at Cadista!! She was a family friend and made sure I was always okay! I remember going into labor at work and she was right by my side every step of the way! I remember visiting her at the nursing home and bringing my babies by to see her. It always made her day and I will never forget her face or her smile! Stella J is what she called herself❤️ Rest on momma! Love you always!
