“ This is very hard for me to write, as a child I spent majority of the summer at Aunt Elva Mae house, your son Vincent, your nephew Lomant, and your sister Karen and myself would play all day long together, even though everyone is grown now I truly miss them. I can remember you and your sister's going out on the weekends, you guys would have a great time and also going to do grocery shopping. As I got old enough, Karen and I would get dressed to go out, we would also come to your house on Graham Street. You were always a loving and wonderful cousin, your smile and your love for everyone. Faith was also an amazing cook, loved her homemade cakes. You are truly going to be missed. Love you.
