

## Florence F. Watson (Briscoe)

March 22, 1951 - March 28, 2020

Florence Faye Briscoe Watson, daughter of the late Silas and Dorothy Briscoe, was born March 22, 1951. She departed this life on March 28, 2020, at the age of 69. Florence received her early education at Townsend Elementary and Louis L. Redding High School. She graduated from Middletown High School in 1969.

Florence worked at the Delaware Home and Hospital in Smyrna, Delaware, and was later employed at DuPont Corporation as a lab technician, until retirement.

Florence enjoyed shopping for herself and family members. She also enjoyed the holidays and all that went with them - the giving and the decorating. She loved spending time with her grandchildren, listening to music, caring for her plants, reading and trying out different recipes. Faye was a very independent and self-sustaining person.

Faye was married to Franklin Watson for 42 years, who will cherish her memories, along with their children, Michael Watson and April Watson; five grandchildren, Tracey, Nasir, Arianna, Kasheen, and Kaden; five great-grandchildren; four sisters, Helen Cale, Joan Johnson, Delores Dunn and Lena Jones; as well as a host of nieces, nephews and friends.

Faye has joined her other relatives, including her sister, Patricia Archie and grandson Malik Watson, in heaven.

“ Faye was my "buddy". A dear friend of mine. I was heart broken to hear of her passing. I will miss her terribly. She always made me laugh with her great stories. We were instant friends. Loved her dearly. My prayers continue to go up for her husband, Frankie, and the entire Watson family. Asking the Lord to grant His tender love, grace and mercy during this time and the days to come.
