“ Pop,

*I am still lost for words and my heart is broken. Since that day you left me, I keep asking myself what did I miss or what could I have done differently to keep you here a little longer. For a while, I blamed myself for not doing more than what I was already doing but God wanted you to stop suffering and to rest. That Sat. night when we was in your room about to leave and I kissed your forehead and told you I would see you Monday and you shook your head no that I wouldn't see you. I didn't realize that would be the last time I would see you. You will always be in my heart and I love you forever. Tell Mom Mom Clordean and Uncle Glenn I said hello. Rest easy Pop and I love you and miss you so much!!*

*Love always,
