

Fred Lee Drew

August 5, 1964 - December 18, 2019

Fred Lee Drew Jr., was born on August 5, 1964 in Lewes, Delaware. He was the sixth child of 11 children born to Fred Lee Drew, Sr. and Lola Ardessa Drew (nee Bratten). He was taken from us suddenly on December 18, 2019. He was preceded in death by his sister Lennia Drew Dennis in 1994, his father in 2003, and mother in 2018. He is survived by two children, Patrick Justin Drew and Lauren F Drew, nine siblings, and a host of nieces, nephews, cousins and other family.

Raised in Wilmington, Delaware, he graduated from Howard High School in 1982. Affectionately known as Freddie Lee, he was a jack of all trades, including but not limited to mechanical work, welding, carpentry and most recently US Cold Storage in Milford, Delaware.

Fred was a man of solid character. He believed in generosity, taking care of family, and was a friend to all and a stranger to none. If ever you needed a helping hand, you knew you could call on him to get it done, no matter what time or the effort it would take.

He especially loved spending time with his children and nieces and nephews. He was always in the midst of family, filling the room with his laughter, old school music and food. He was an absolute joy to be around. The love and affection he put into every room he walked through will be sorely missed by

many.

He was a beloved father and brother, favorite uncle, a genuine friend and a man we could all count on. Because of him, our lives are forever changed and we all love him for it.
