

Gary Scott Smith

April 30, 1951 - August 1, 2022

GARY SCOTT SMITH, born to the late Dorothy Jane Long Hardy and Bennie Smith, began his earthly journey on April 30, 1951. On August 1, 2022, he turned his focus towards glory and peacefully transitioned to his eternal home. Gary was reared in a loving and blended family, by his grandmother, the late Edna Jane Long, lovingly called “Nanny”, and his auntie, the late Ethel Mae Long Smith and uncle, the late Leroy Smith, Sr.

Affectionately known as “Scottie” or “Scottie Long” to some, he was educated in the Worcester County public school system. Scottie received his Barber License while living in Baltimore, Maryland with another auntie, the late Geraldine Long Hooper.

Scottie accepted Christ at an early age and joined Macedonia Baptist Church in Pocomoke City, MD.

Scottie was a “jack of all trades.” He was previously employed by: Campbell Soup Company and Plywood, both in Pocomoke City, MD; Maryland Department of Transportation State Highway Administration in Princess Anne, Maryland; Salisbury University in Salisbury, Maryland and Perdue Farms in Accomac, Virginia until his retirement.

Scottie was a “Trekkie” by nature. He would sit in one spot on the edge of the sofa and watch Star Trek for “hours” and never say a mumbling word. He also enjoyed watching a good Dallas Cowboys game. Scottie enjoyed a good time and hanging with his boys in previous years, the late Arthur Lee, Jitterbug and Donald B.

Precious memories will linger in the hearts of his blended family: sisters, Tamela (Willie) Wise, Karen Ward, Kimberly (Levone) Ward, Judy (Warren) Ballard, Cynthia (Bruce) Waters and Michel (Bruce) Clark; brothers, Wayne (Michelle) Fontaine, Blair Smith, Sr., Jasper (Virginia) Hardy and Rodney Hardy; a longtime, faithful companion, Sheila Johnson, whom he loved unconditionally, and a host of nieces, nephews, cousins, and friends. Scottie was preceded in death by a sister, Joanne Hardy, a brother, Leroy Smith, Jr. "Tuffy" and paternal grandmother, Lillie Smith Miller.
