“ Randy was a very kind and funny friend of my brother Ed. They were members of a corvette club and spent a lot of time traveling together. Ed brought Randy to my house one day when they were meeting someone at the Philadelphia airport. From the first time I met Randy I felt like he was family. Randy's illness was affecting all of his friends. How sad it was that he forgot the dear friendships . Sadly we just learned of Randy's passing November 2. Remembering how he was always telling jokes and laughing is how I will remember Randy. Ed lost a very dear friend. Quite the story teller only to find out the ending was a joke. We will all miss your smile dear friend. Condolences to his Family and his daughter. Randy is now whole once more. God Bless, Ed and Debbie
