

George Wesley Macer III

May 8, 1966 - December 1, 2022

Obituary

George Wesley Macer III, a resident of Chestertown, Maryland, transcended into eternity on Thursday, December 1, 2022 at the age of fifty-six (56). He was born on May 8, 1966 to the late George and Mary Macer. His parent were his heart and soul and he did everything he could for them.

His surviving siblings Sharon Macer of Colemans and brother Gerome Macer and sister in-law Iris Macer.

George started working at Dixonvalve after graduating from high school. He worked there for thirty-seven (37) years until his passing from his illness.

While working at Dixonvalve, he met his wife. They were together since 1987, having married on December 20, 1996. They remained united in holy matrimony until his passing.

George consistently donated to St. Jude Children's Research Hospital. He felt that was the least he could do to help the families and assist in finding a cure.

Every one who knew George knew his vehicles had to shine and sparkle. Every Saturday morning, he would be at the car wash first and then go riding.

He would always say mom and dad always went riding and I think that was how he dealt with not seeing them.

George leaves precious memories with: his wife, Leanna Black Macer and three children, Jeremiah Bailey of Chestertown and Randy Wilson, both of Chestertown, Maryland and Franklin Wilson of Pennsylvani; two brother-in-law, William Black (Sandra) of Butlertown, Maryland and Sam Black (Lorena) of Worton, Maryland; two grandchildren, Anthony and Layana Wilson and a host of aunts, uncles, cousins, nephews and nieces.

He loved his family and friends and would always be there for them when needed. George asked God to forgive him for whatever wrong he had done.

Lovingly Submitted,
The Family
