“ I knew him when he was just Mr. Rowland. He was my sophomore and senior ELA teacher (because he took over for Mr. Romano's class when he passed). I remember his stories and quick witted humor. He called me "Widget" and no one was spared a nickname. No one received 100% because no one was perfect. RIP Dr. Rowland and say Hi to Mr. Romano for me!

“ Clint was a colleague at DHS and a fine teacher. He had a way with students and was able to teach some that others couldn't. He will be missed. Rest in Peace my friend.
