“ To the rising of the sun, until the going down of the same, Lord you are worthy. Father we come to you today giving praise for the life of Gertrude Hynson. Although some of us did not know her, we know that in longevity lies your grace and mercy. For Lord we know she endured a lot of trails in tribulations during her time simple because of the era in which she survived. God of Abraham, Isaac, and Job we blessed your name for you were a rock to her and her family in a weary land. We pray for peace for the family particular Joanne and Tom. Lord we know her grandmother bared good fruits because of the spirit of the fruits that Joanne possesses. May the works Mrs. Hynson done speak for her as she transitions from the earthy body to her heavenly being. We ask that you comfort the family at this time. Lord let them remember that her legacy should be remembered with joy and thanksgiving. We know that weeping will endure but for a night but praise be to God, joy, is promised in your word, will come in the morning. Lord we cannot tell the family not to weep but we can relate to tears of joy, sorrow and celebration they are experiencing at this time. As the family prepares to give her back to you let them that do not know you in the pardoning of their sins use this opportunity to give their lives to you. Wrap your arms around the family and bind them together in your perfect love. In Jesus name we pray and ask it all, our Lord, our Rock and our Redeemer, Amen
