“ My deepest condolences for the loss of your dear loved one. While nothing will completely take away your grief by meditating on Gods promises found in the Bible you can find real hope and the strength to keep going. My family and I have found the scripture at Isaiah 25:8 to be especially comforting. Here it promises that God "will swallow up death forever and the Sovereign Lord Jehovah will wipe away the tears from all faces."

“ I would like to offer my personal condolences to your family. I hope that you will be able find strength in Gods promise at Revelation 21:4 that soon: he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away. You are in my thoughts and prayers and once more I am deeply sorry for your family loss.
