Granville Barrington (Barry) Barrett, Jr.

May 5, 1962 – August 17, 2016

Granville, Jr. fondly known as 'Barry', 'Boxcar', 'Pride and Joy, Baby Boy', was born in Lewes, Delaware, and educated in the former Lewes School District. He continued his education at Job Corps in Roanoke, VA. He also attended Truck Driver Training School. Barry was very personable, never met a stranger, and greeted you with a beautiful smile. He enjoyed having a good time! He loved his family and reached out to everyone. He was always the same; 'what you see is what get'.

Barry worked primarily in construction, mixing and pouring concrete, and most recently, as a Registered Flagger. He was a member of the American Traffic Safety Services Association (ATSSA). Barry's Christian training had its foundation at St. George AME Church. He later attended and diligently served the Victory Praise and Worship Center, Millsboro, DE.

On Wednesday, August 17, 2016, at Jefferson Memorial Hospital, Philadelphia, Pennsylvania, after a long and courageous battle with Leukemia, Barry quietly and peacefully passed away.

“ I did not know Barry personally; but did know his sister, Paula K. B. Johnson. Paula is devoted to her family and spoke lovingly words regarding them. The loss of a sibling can affect our grief in many different ways. Others may not recognize the deep and extensive ties we had with our sibling. The loss of a sibling can be the loss of a best friend, our childhood and an important part of our identity. Let yourself grieve. Remember, grief is normal, natural and necessary.

Barry was not in good health and the Lord said "Come to Me - - all you who are weary and heavy-burdened and I will give you rest. I am gentle and humble of heart." Matthew 11

May you find solace in a special memory of Barry.
