“ Gregory Jones is very much part of my childhood. I have known Gregory since early childhood. He was always kind, respectful and a cool human being. He was a close friend to my cousin Anthony Hughes who recently perished. During my cousins repass December 17, 2021, Gregory sat down with me to catch up on life. We had great conversation of commemoration; it was awesome talking about Family which mattered most. I am left in devastation. My condolences to the Family and asking the Lord to Wrap a Hedge of Protection around the Family, Village Family and Friends who Loved and cared for him.
