“ *My deepest condolences to the Keller family. I was Greg's first roommate when he got to Germany around 1986. Greg fit in with our crew right away. AKA "G"... As time went on He and I became very close friends. We both loved contemporary Jazz. I would be playing Al Jarreau on one side of the room, and he would be playing Nagee or George Howard. Anyone that knows Greg knows he was also a big sports fan. I'll leave it at that. (smile) I'm going to miss my Brother from back in Germany. Much Love to you "G" RIP!*
