“ *My beloved Uncle Tommy. You taught me so much when i was a child/growing up. I always think about the time you taught me to ride a bike. I kept falling off and finally gave up and you made me get up after i met your belt. lol But you told me get back on that bike! No matter how many times you fall down, you get back up and keep going. I'll miss you Uncle Tommy. Until we meet again. I love you forever.*
