“Destiny you were a joy to your Mom all your life and a huge comfort to her over these pass few years.. It\u2019s sad to lose her, but we hope you feel good about the way you were there for her. Even though we cant\u2019t be there for her farewell, just want you to know we are with you in spirit now and in the days and weeks ahead. We are going to miss her also, stopping in to see my Cousin was alway a pleasure for us. Our family sent their deepest sympathy. Our sincere condolences Cousin Dianne (Judy) and Green
