“ To my Good friend I say farewell we have had some good times together. We talked a lot sometimes two or three times a day.God saw that you were in a lot of pain, and you know God is not going to put no more on you than you can handle.So he wanted you to come home, where there is no more pain. I will miss you But God knows best. Rest my friend until we meet again.

“ I don't know where to begin my friend, I have been with you since you let me know that you were sick, and we talked almost everyday,and you kept me abreast of your prognosis.Your aches and pain were at times unbearable, but I kept praying that you would make it thru one day at a time. But God knew when enough was enough and he laid you to rest. I will miss you Harold Danny as your sister (Helena) use to call you. Rest well my friend...
