“ *I am so sorry to hear of the loss of your loved one. Please take comfort in the bible during your time of grief. The bible gives us hope of seeing our loved ones again during the resurrection of the dead. (Acts 24:15) Also, we can look forward to the time when death, sickness and pain will be done away with. Please look forward to that time. Until then may your entire family be comforted and blessed.*

“ My deepest condolences for the loss of your dear loved one. While nothing will completely take away your grief by meditating on Gods promises found in the Bible you can find real hope and the strength to keep going. My family and I have found the scripture at Isaiah 25:8 to be especially comforting. Here it promises that God "will swallow up death forever and the Sovereign Lord Jehovah will wipe away the tears from all faces."

I hope the family will find some comfort and strength in Jesus promise of the earthly resurrection(Acts 24:15)and the renewed Paradise earth, where death will be no more and no family will mourn the death of a loved one.-Revelation 21:3,4;John 5:28,29;Luke 23:43. may GOD(Psalms 83:18)grant you peace and comfort now, during this grievous time.-Matthew 5:4.

“ Please accept my condolences for the loss of your loved one. At difficult times like this we realize how precious and fragile life can surely be (James 4:14). As your family and friends comfort one another, as a neighbor please also be comforted by the sure hope the Bible gives us for all those who have died (2 Corinthians 1:3, 4). As recorded in the Bible, Jesus promised that one day he was going to bring back to life all those who have died (John 5:28, 29). That is why he encourages all of us to exercise faith in that promise, the life that he gave in our behalf, and be blessed as we see that promise fulfilled (John 11:25; 3:16). The Bible makes it clear that death is an "enemy" not only to mankind, but also to Almighty God (1 Corinthians 15:26). That is also why God promises to remove forever all the pain, suffering, wickedness, and death that mankind has had to endure for thousands of years (Revelation 21:3-5; Psalm 37:10,11,29). At that time soon, as the Bible indicates, both the living and the dead who are brought back to life will enjoy life, everlasting life, as God originally purposed for this earth thousands of years ago in the Garden of Eden (Genesis 1:28; Jeremiah 29:11). What a glorious day that will be for mankind who are doing what God asks of us, namely that we simply do His Will, not our own (1 John 2:17; Proverbs 3:5,6). Please read and meditate on all these scriptures in your Bible and be comforted and blessed (Psalm 1:1-3; John 17:3). Our thoughts and prayers are with all of you.

“ My condolences to the family: When one losses a loved one we ask "Will they live again?", Job asked the same question please read Job 14:14-15. It assures us that God is eager to resurrect your loved one who is now sleeping in the grave. 1 Corinthians 15:26 shows that death is an enemy. May this be of comfort to you.
