“ Ms. Jeannette, Please know that my heart goes out to you for such a tremendous loss as A wonderful son. Harvey must have been tired for all that was upon him and it time for him to rest. I am sorry that I am not there personally to extend my support in person . Know that I am praying for you and your family. I especially worry about Heaven because Harvey and you looked out for her and I pray that you continue, she needs you. You are a wonderful strong woman and the Lord will grant you His peace that surpasses our understanding. Be blessed and don't let go of His hand. Elder Nadeem aka Sister Linda
