She loved to sponsor services at church. During the days when Rallies were held for the church, Sister Helen always raised the most money, you could be sure of that. Mom Sis was a domestic worker and also provided a child care business for many years. She was a great cook and cooked at a local restaurant, but always cooked at home also.

She spent the last eight years of her life at the Hartley Hall Nursing Facility in Pocomoke, Maryland, and even planned services for family and friends to come there to sing.

Mom Sis loved her family dearly and she will be greatly missed.

“ I am so sorry to hear of the loss of your loved one. Death is truly an enemy to all of mankind as the bible states. Please take comfort in the scriptures at this time. Revelations 21:3&4 tells us that there will be a time when death , pain and suffering will be gone. John 5:28&29 also tells us of the resurrection hope, so we can look forward to seeing Helen again. Please accept my condolences in the loss of your loved one.
