“ Mom, I will always remember your calls and encouraging words and prayers you gave me throughout the years when I needed it most. You were always supportive of me and showed me true Love and for that I will always and forever Love you. You will truly be missed by me and your grand children. Rest in Heaven and know that you touched the hearts of many people. God's light shined through you for others to experience his Mercy, Grace and unconditional Love.

“ I will miss you my dear friend. All the times we shared the word of God. And the many times that we prayed together. I'm going to miss the lunch dates we had where we would laugh and listen to gospel music.
