“ I am so sorry to hear of the loss of your loved one. No matter how long one lives, we all want to continue living, because Jehovah God created man to live forever. It was due to the disobedience of Adam and Eve that man was condemned to sin and death. (Romans 5:12) But the bible gives us hope of seeing our loved ones again during the resurrection of the dead. ( Acts 24:15) Also, Isaiah 25:8 tells us that HE will swallow up death and wipe away all tears from our faces. Please look forward to that time. Until then may your entire family be comforted and blessed.

“ My deepest condolences for the loss of your dear loved one. While nothing will completely take away your grief by meditating on Gods promises found in the Bible you can find real hope and the strength to keep going. My family and I have found the scripture at Isaiah 25:8 to be especially comforting. Here it promises that God "will swallow up death forever and the Sovereign Lord Jehovah will wipe away the tears from all faces."
