

## Jacqueline Alicea

June 18, 1985 - June 16, 2015

Jacqueline "Bebe" Alicea of Hurlock, MD departed this life on June 16th, 2015. She was 29 years old born on June 18th, 1985 in Bayamon, Puerto Rico.

She was the oldest daughter of Juan M. Santiago and the late Jacqueline Santiago. Bebe spent most of her life between Maryland, New York, Puerto Rico and was a 2003 graduate of North Dorchester High School.

Bebe was employed throughout her life, she also was able to complete her CNA courses during her stay in New York in which was very gratifying for her. Her greatest accomplishment during her short 29 years of life was giving birth and dedicating her purpose to being a loving and nurturing mother to her beautiful daughter; Chrislyne "Layla" Rodriguez, age 4.

She is survived by her only daughter Chrislyne L. Rodriguez, her father whom she thought the world of Juan M. Santiago. Six beloved siblings, Jamito Alicea, Ricky Alicea, Juan M. Santiago, Jr. (Dorthy), Juan R. Santiago, Juan C. Santiago (Jerna), and youngest sister Irma Santiago. A host of close cousins, nieces and nephews whom she loved and adored.

We can be comforted knowing she will be holding her dear mother's hand, waiting at the heavenly gates with her grandmother, Marcelina Matos, two aunts Diana Garcia, Veronica Garcia and two uncles Tommy Garcia and Carlos Garcia.
