Jaden Lee Cook

March 9, 2023- July 28, 2024

Jaden Lee Cook, beloved son of Jakeea Green and Robert Cook, returned to the loving arms of Jesus on Sunday, July 28, 2024. Born on March 9, 2023, he was the happiest baby you could have ever known. His smile brightened up the room whether you were in a happy or bad mood.

Jaden was a very intelligent child for just being a "1 Year Old." He had just started learning how to say certain words. He had also just started learning how to give his little sister her pacifier while giving her the best kisses in the world. He was a very special person in his own little way!

Jaden enjoyed spending time with his father, Robert Cook, and he loved listening to music with him as well. He had even started saying "dada." Jaden loved his big brother so much and his big brother loved him just as much. Jace taught his little brother Jaden a lot and tried to protect Jaden the best way he could.

Jaden enjoyed playing outside, but also standing at the door watching birds and cats as they walked by. He loved going on walks to the store or just going on walks in general. If you asked him if he wanted to go bye byes, he would

nod his head yes and run straight to his stroller! Jaden loved to eat, and there was not much he would turn down unless he really didn't like it. I'm going to miss making Kool-Aid with him because he was my taste tester. Jaden also enjoyed cartoons and his favorites were "Garfield" and "Spiderman."

Jaden was taken away from us way too soon but we will never forget him! Loving memories of his life will be shared by: his parents, Jakeea Green and Robert Cook; big brother, Jace Cook and little sister, Jada Cook; his nanny, Deborah Paulley; his Mimi, Justina Taylor; grandfather, William Green; eight aunts; four uncles and a host of cousins and family friends.

Jaden, We Love and Miss You So Much Buddy!
