Our dad was loved by many. He worked hard to provide for his family and loved us unconditionally. He was always there for anyone who needed him and he really cherished his family. His passing has left a void in the lives of everyone he touched. He will be sorely missed, but we know he’s in Heaven resting in peace. We love and miss you dad, and we’ll be forever grateful for our time with you.

“ My sincere condolences to the family, I met bunk in 2004 and we were fishing buddies for many years. I would visit him after he became l'll and he always shared what he grew in his garden. When he was no longer able to go fishing with our crew I would always share my catch with him and we always shared scripture during my visits with him. The last time I spoke with him I took him some Fat Spots and a few Trout that I cooked for him. God Bless you my good friend. R.I.P.

“ I would like to offer my sincere condolences for your loss. In such difficult time, many families appreciate the comfort offered by the Bible of the time when no one will lose a loved one in death and we will be able to enjoy life again with our loved one. (Isaiah 41:10; Revelation 21:3,4) I hope these thoughts will comfort you also.
