“ Jimmy and I have been friends since we worked together at Vaughn Dykes gas station as teenagers. We were both Corvette lovers and dreamed of owning our own someday. Fortunately both of us realized that dream and Jimmy took great pride in restoring his C4 Corvette to near perfection. He was a past member of the Eastern Shore Corvette club and we enjoyed the activities and local car shows. Jimmy was a hard worker and loved his family and friends. It meant the world to me when he visited me in the hospital a few years back to let me know that he would always be there if I ever needed him. He will be greatly missed!

“ Jim was a hard working man who married his childhood sweetheart, helped raise her son and a grandson. He was not perfect like most of us but he was a good man who will be missed by family and friends.
