“ *James was known to me as JR...My best friend nephew born into an amazing family..with the love of a mother and father. As a child my mom Thelma Freeman took care of him when his parents had to work . What a delightful child who loved his parents eminently. A kind young man that always had nothing but kind words to say.....Jr in last years called me just to say hi. He never left a message or spoke with me with anger or a complaint . A good kid and it saddened me to learn of his passing. JR I KNOW YOUR ALRIGHT..I know your big sis Lisa guided you home and you awesome grandma (Mary Harvey had the sweetest smile and joy) Though life took you away to soon your at peace. I take pride in knowing I had a chance to know you. Fly high sweet angel your work on earth is done.*
