May 25, 1948 - May 29, 2019

James Augusta Robinson, of Greensboro, Maryland, passed away on May 29, 2019, at the age of 71. He was born in Easton, Maryland, to the late Helen Robinson and John Bolden. He attended Queen Anne's County Public Schools and graduated from Kennard High School. He was known to family and friends as "Big Jimmy" or "Jimmy".

James started his career as a truck driver at a young age. He drove for ConAgra for several years and then moved on to Mark IV in Bridgeville, Delaware, until he retired.

Jimmy had a passion for sports. He played softball for the Sandlot teams and ConAgra. He then went on to coach his son in Little League football and baseball. James also bowled in the His & Hers Bowling League in Easton, Maryland. Jimmy's love for sports continued with his grandchildren. He frequently attended their sporting events and you could spot him with his video camera or hear him coaching from the sidelines. He was a proud grandfather.

He loved family get togethers, always attended the annual Gould Family Reunion, and held his annual Grandparent's Day. Jimmy was also an avid card player and spent a lot of his time with friends and family playing poker. He loved talking trash and trying to steal the pot!

“ *My deepest condolences for the loss of your dear loved one. While nothing will completely take away your grief, by meditating on Gods promises found in the Bible, you can find real hope and the strength to keep going. My family and I have found the scripture at Isaiah 25:8 to be especially comforting. Here it promises that God "will swallow up death forever and the Sovereign Lord Jehovah will wipe away the tears from all faces."*”
