“ I am so sorry to hear of your loss. Please accept my deepest sympathy in your time of grief. I have loss many relatives and friends in the last year and know just how painful it is when someone you love dies. I found comfort in Almighty God's word the bible and so can you. Acts 24:15 tells us that the dead is going to be resurrected, also Revelation 21:4 tells us that soon death, sickness and pain will be done away with. Please take comfort in these scriptures and many more in your time of grief. May the God of all comfort give you and your family peace.
