“ Jimmy my ex brother in law, who I still consider as my brother in law, because nothing changed between us we still have a bond like and sister. I'm gone miss you, when I read it on Facebook, I just broke down and was crying all day just sitting in the dark. That was a heck of way to find out someone close to you had gone on. To the Pearly Gates of Heaven. I know your in a better place, no more suffering just resting now. I will cherish all the precious memories we shared and all the good times, just seeing your smiling face. There will never be another like you. Go on and take your seat as an Guardian Angel up in Heaven, you earned those wings fly high Jimmy. And watch over your Family now. To the Woolford family I'm praying with you that God may comfort you all, in this time of sorrow. Rest on now your just sleeping and at peace.
Sadly missed,
Miss Donzell
