“ *Hey Pop, It's hard to think that I will not be seeing that great smile anymore. You are the greatest Father-in-Law a girl could ever ask for. Since my Dad is no longer with me, you were a great replacement. Thanks for loving my children and helping them grow into unique individuals. Not only will they miss you, but your great-grandchildren have said they will miss how you make them laugh. They loved the fact that when they would do silly things you would do the same things. I know you are at home now and are loving the peacefulness. Although you may not be here in body, you will always be in our hearts. We "LOVE" you!*

“ *Although we cannot see you, we know that you are resting. Always know that you will always be with us, and we will always have so much love for you!*

“ Mr. Wright was a very happy sole, and if you just needed a smile to start or end your day you hoped to see Mr. Tinsley. Early morning or 4 pm afternoon, as I traveled to work or the end of a crazy day at State Highway. I would see him standing in Mr. Melvin's yard and there was that big smile; hardy wave; and "hey lady"! My day was going to be "A-OK"!! Legion Road has not been the same since he became ill. We know he is in heaven catching all the "big" fish. My thoughts and prayers are with the Wright Family and Friends. God Bless, Nancy Hall
