“ A LIMB HAS FALLEN A limb has fallen from the family tree, I keep hearing a voice that says Grieve not for me, Remember best ties, the laughter, the song, The good life lived while I was strong, Continue my heritage, I'm counting on you. Keep smiling and surely the sun will shine through. My mind is at ease.my soul is at rest, Remembering all, now i truly was blessed.Continue traditions, no matter how small.Go on with your life, don't just stare at the wall.I miss you all dearly, so keep up your chin,Until the day comes we're together again...His promise is the light by which we see our loved one safely home. Do not let your heart be trouble what assurance in that voice that acknowledges our sorrow and yet offers us the choice to ask God;'s protection, and surrender as our fears to the one who holds tomorrow and wipe away all our tears.

I am praying for the family,
