“ *Mama, Words can't describe how much I am going to miss you. You have taught me so much over the years and you have really planted so much positive energy inside of me. I still can't believe that you are gone. I will forever cherish the memories, knowledge, and love that you always showed. I will continue to share your amazing stories and fun times with Tre' every chance I get. You were an amazing woman who touched the lives of many. Things just aren't the same without you and Dada. You both are now officially "a Match made in heaven!" I love you both so much. Please continue to watch over us all.*

*Your Loving Grand-daughter,
Chantel "Patti" Brown*
