“ *To The Family:*

Please accept my deepest sympathy in the loss of your mother. Jeanette was a very nice person, who really cared about people. I know the pain of losing a mother, I loss mine some years ago. I still want to see her and talk to her. I know that just a little while longer and I'll have a chance to see her again. The bible tells us that there is going to be a resurrection of the dead at Acts 24:15. So please take comfort in the bible's promise because God cannot lie. Until that time may your entire family be comforted and blessed.
