“ Thank you Jenelle for everything you did for my family. You were truly family!
You continued to help my kids even as adults. I just found out today and we are so shocked and saddened.

Rest well my friend!

“ My sweet friend, I miss you so. You will always be remembered and loved, as you have touched many hearts with your loving and genuine-self. I will continue to speak my love and friendship to you out loud, as I know you will hear me!
Patrice and Satin, please know that you are in my thoughts and prayers. Thank you both for putting up with our shenanigans over the years.
