“ My sister my friend and my classmate, I was saddened when I heard about your passing. I was thinking back and remembering when I would come and stay with you for the weekends and you would have me eating those mustard and sugar sandwiches saying how good they were and I had to try it and I did. The pig in the blankets and so much more. I will always remember that huge smile and that crazy laugh that you had. A huge heart and always compassionate for others. Jennifer take your rest my friend and one day we shall eat that sandwich again. ❤️ you my friend Orlean Gumby.

“ Jenny.... I have no words... I just remember you babysitting us, being no nonsense, and that laugh you had that would scare the heck out of us ...LOL!! I will always remember that family member, that was going through something, and you didn't hesitate, to pack us up in that red Volkswagen bug, made sure we were in the car ok, and took off in that little car on two wheels!!! LOL. Family gatherings, if you needed wipes, hand sanitizer, and other necessities, you had it in a bag somewhere ... LOL!!! I will miss you big cuz!! Take your rest!!!

Love You Always,
Tan
