“ It is so sad to hear of the death of anyone, especially one so young. Death is an enemy to mankind, but Almighty GOD is going to remove death, sickness and pain in the near future.(Revelation 21:3&4) The bible also gives us hope of being reunited with our loved ones again during the resurrection of the dead. (John 5:28&29)So please look forward to that time and take comfort in the bible during your time of grief. May your entire family be comforted and blessed at this time.
