“ *Dear family
I am grief stricken along with you. I truly loved my childhood to adulthood friend. I keep reliving the memories we had during childhood playing monster dodge ball and catching lighting bugs. We spent a whole week at camp Barnes crying because we missed our family. I will miss her dearly she was Gods best love Veronica Hickman West*

“ To the family of Joann Dredden, I would like to express my deepest and heartfelt condolences. I am truly sorry for the loss that you are feeling and will keep them in my prayers. Anytime that we loss someone in death it can be the hardest thing you can experience and never was God original purpose. During this difficult time, know that God wants you to rely on him for comfort. (2 Corinthians 1: 3,4) It is my hope that rely on God for comfort and cherishing the wonderful memories of Joann will help console you in the day' s ahead.
